

# T-UCHWYT-KALISZ

## Mounting Instructions

In order to properly secure the M-FIRE 02 in the holder for Kalisz helmets, please pay close attention to the following instructions.

1. Select the C shaped mount

2. Affix the mount to the back of the flashlight.  
The fit is secure and a bit tight.

3. Stretch the mount and slide in the flashlight

4. Slide the mount towards the head

5. Affix the clip included in the kit.

**WARNING** – please pay special attention to these instructions to endure a secure grip for holding the flashlight.
